Missing children don't advertise themselves. In fact, since the majority of them are abducted by a parent, they might not realize they're "missing" at all. That's what makes our job tougher, and why we're asking for your help.

In your professional capacity, you might be able to identify an abducted child, or a parent who may have abducted a child. If so, please contact **Child Find of America.** Or ask the parent to call us for confidential mediation.

Our toll-free hotline is **1-800-A-WAY-OUT.** It could just be the way out they're looking for.
